

CONSENT FORM

To all participants in the PAC-QuEST recordings:

You are being asked to take part in a survey of varieties of English within a scientific programme coordinated by researchers from the CLLE (CNRS UMR5263, University of Toulouse), LPL (CNRS UMR7309, University of Aix-Marseille), CREA (EA 370, Paris X University) and CLILLAC-ARP (EA 3967, University of Paris) research teams, France.

The recordings are made for scientific and teaching purposes and the results (including recordings) may be made available in academic publications (including CDs or other audio formats), shared with other researchers at conferences and made available on the Internet. For the purposes of research and in the event of publication or Internet use, all names and information concerning the recorded speakers will be anonymised.

If you give your permission to use the anonymised recordings for the purposes indicated above, please sign this document below your name and forename.
